Mr. W. A. Wilder
510 Montague St.
Raleigh N.C.

Dear Mr. Wilder:

I am writing to ask you to send me by return mail, the terms under which we would play the game in Raleigh. The date would have to be ~~Wednesday~~ ^{Tuesday} May 7th.

In the same letter in which you send me the terms, send me the name and location of the ballpark, and the name of the opposing team, also the prices, and any other information that you feel should be on the cards. If you want me to I will order the cards and have them shipped directly to you. How many could you use? I will also have advertising passes made to go with them.

This date is just two weeks from tomorrow, so it will be necessary to get an answer to me right away.

I heard from Mr White, the man who is taking care of the team in Florida, that he was sending you a infielder that we were not going to keep. Now I am not sending him with any desire to keep any strings on him. If you do not want him on your club, you can send him home or any where he cares to go. I think Bill decided as you wanted some men, and this boy lives near Raleigh, it was a good idea to send him to you. His name is Waters. and his home I believe Kinston N.C.

Let me know how your team is shaping up. Do you have many games booked? Please answer by return mail.

Very Truly Yours
